- b) apply a common minimum standard of discipline across the Branch, for offences that are similar in nature. That discipline may be in the form of a suspension, fine, expulsion or other sanction.
- c) make team, league and association officials, more aware of their responsibilities in controlling the conduct of their teams and applying discipline where warranted.

25.2.

- a) The Code of Discipline Policy applies to all players, teams, leagues, associations, organization and club officials who are registered members of the Association.
- b) The Code of Discipline applies to all hockey games, be they league, tournament, play-off, or exhibition, in which HNS players and team officials from HNS registered clubs are participating, including games outside the boundaries of HNS Branch.
- c) A team playing in an out of Branch tournament shall abide by the out of Branch code of discipline for the duration of the tournament only. Games that players or team officials have outstanding as per the HNS Code of Discipline must be served immediately upon return to HNS.

25.3. Types Of Suspensions

- a) **GAME SPECIFIED:** The offender is removed from specified games and shall not participate in any games, including exhibition, as a player, on ice or off ice official until the suspension is served in full.
- b) **SUSPENSIONS:** The offender is removed for a specified number of games from all hockey excluding practices and tryouts. **Suspended players may participate in skills competition unless under indefinite suspension.**

25.4. When And Where For Suspensions

- a) Suspensions shall commence immediately.

- b) Teams that are members of sanctioned leagues, who have their season schedule and playoffs approved by the HNS, shall be subject to game specified suspensions. Game specified suspensions result in the offender being suspended immediately from the game the penalty was assessed. The specified games begin with the team's next meaningful game.
- c) Sanctioned tournaments may, at their discretion, use either time specified or game specified suspensions during the tournament. Suspensions extending beyond the tournament will revert to the normal disposition of suspensions the team normally plays under.
- d) In the event the team has completed all league, playoff and tournament games for the season, a time specified suspension and/or game specified suspension shall be issued for the following season by the respective HNS officials.
- e) However, any player under a game specified suspension, other than that assessed for a violation of Hockey Canada Rule 9.6, that has been carried over from a previous season shall not be prohibited from participating in pre-season tryout activities (not including exhibition games). Carry over suspensions from previous season will start being served on October 15th or when the league starts whichever occurs first.

Coaches and players who are suspended indefinitely, shall not be eligible to take part in practices or other team activities until deemed eligible by HNSMC Discipline Committee.

Games approved after a suspension has occurred will not count as meaningful games. **A game must be played in order to count towards a suspension**
- (2) In exceptional circumstances a player may be unable to serve a suspension in a reasonable amount of time [ie: end of season], in those very rare circumstances the Regional Director, the Conference Co-ordinator and the HNSMC Chair TOGETHER will review such circumstances and make a decision on how this suspension will be served. Any such request to review such a suspension must come to HNS in writing from the President of the player's MHA. All HNS suspensions must be served in a MEANINGFUL manner, consistency and fairness will be critical in making the decisions on these suspensions.

and game misconduct shall be assessed if such intentional body contact results in injury.

- h) The MINIMUM suspensions listed in this Code of Discipline shall be applied by the appropriate Council official. If such official determines that the offence warrants a suspension other than that listed, he/she shall report same to the Council Discipline Committee complete with his/her recommendation. A player who is playing as an affiliate will serve the suspension with the team he/she is registered with and may not play as an affiliate again until the suspension is served.
- i) Any incident involving a player or coach who receives a suspension of 10 games or more as a result of applied Code of Discipline infractions stemming from one incident, shall be reviewed by a committee consisting of the Chair of HNSMC, VP Operations HNS, Chair of Female Council and the Referee-in-Chief of HNS (ex officio) which will determine the final suspension.

- 25.5. The onus for control of a team rests with the officials of the team, or any person(s) acting for the designated officials of the team. They are, therefore, responsible for ensuring that, without further notice from anyone, players and/or officials serve the minimum suspensions.
- 25.6. Failure of officials to ensure that suspensions are served as assessed may result in the suspension of the officials, team, and/or Association from further play, pending review by the President or Designate of the HNS.
