(continued)

Agreement

The host association agrees that this tournament or jamboree will abide by all Hockey Canada and Hockey Nova Scotia rules and regulations, including those specific to the U9 division, and will report all penalties and suspensions daily to the appropriate persons. The host association also agrees to submit a financial statement to Hockey Nova Scotia within 30 days of the completion of the event, and understands that failure to do so will result in the loss of future tournament permits for the host association.

How to submit

1. The host association president signs the form and sends it to the Regional Director for their council (Minor Council or Female Council).
2. The Regional Director reviews the application and, if approved, signs it and forwards it to the Hockey Nova Scotia office. Hosts do not send the form to the office directly.
3. The Hockey Nova Scotia office posts approved tournaments and jamborees on the tournaments section of hockeynovascotia.ca, which is updated once a week. No separate listing request is needed.

Please note

- Inter-Branch and International events: the deadlines in the Hockey Nova Scotia By-Laws must be met and all fees paid in full under Hockey Canada regulations before the event is approved.
- U9 events: the rules and regulations specific to U9 jamborees and tournaments apply.
- Questions: info@hockeynovascotia.ca or 902-454-9400.
